SAN JUAN WATER DISTRICT WHOLESALE CONNECTION FEE TRANSMITTAL FORM

A wholesale connection fee shall be collected by all agencies that purchase water from San Juan Water District on behalf of the San Juan wholesale agency. Collected fees will be forwarded to SJWD by the agency no less frequently than monthly.

The wholesale connection fee ensures that new customers pay their proportionate share to “buy in” to water system facilities. Wholesale capital facility fees were previously financed through General Obligation bonds, and reimbursements were formerly collected with taxes however those bonds are now paid in full and this new funding mechanism has been established. Wholesale connection fees are evaluated and established by the San Juan Water District Board of Directors. Wholesale connection fees for non-enterprise public entities are to be waived.

Current wholesale connection fees are outlined in the following table.
