

Operations Supervisor

Salary Range: \$75,920 - \$102,502

Fair Oaks Water District (FOWD) is committed to providing our community with an adequate and reliable supply of water, exceeding all drinking water standards, at the lowest reasonable cost. A full-time position offers a terrific team environment and excellent benefit package.

This is an open until filled recruitment for one position. The FOWD may schedule interviews to fill the position and may close the continuous recruitment without notice.

General Job Description

Under general direction of the Operations Superintendent, this position supervises the operations and maintenance functions of the District; leads the installation of water mains, meters and related water distribution facilities; leads the maintenance of District facilities and equipment; drives and operates vehicles and equipment.

Job Standards/Specifications

Knowledge of:

- Construction safety laws, rules and regulations.
- Basic principles used in the design of water systems.
- Water quality regulations and requirements.
- Cross-connection control regulations and how they apply to the waterworks industry.
- Landscaping and irrigation planning, design, installation and troubleshooting.
- DOT regulations for performing safety sensitive functions.
- Microsoft Office software applications.

Ability to:

- Communicate clearly and concisely, both orally and in writing.
- Interpret designs, plans, and understand construction specifications.
- Supervise, train and evaluate staff.
- Plan, direct, and supervise the installation, maintenance, and repair of water service and distribution systems.

Experience, Licenses and Certification

- Minimum of four years' experience in general pipeline and related construction.
- Minimum of two years' experience working as a California Distribution Operator Grade II or higher.
- California Certified Cross Connection Control Specialist.
- California Certified Backflow Prevention Assembly Tester.
- Any combination of training and experience may qualify if it would provide the skills, knowledge, and abilities to accomplish the job requirements.

Required Licenses/Certifications

- California Certified Water Distribution Operator Grade III.
- California Certified Water Treatment Operator Grade II.
- Graduation from high school or equivalent.
- Valid California motor vehicle operators commercial class A license.
