

Policy Number: 4060

Policy Title: Chain of Command

1. The General Manager carries out Board policies and manages the day-to-day operations of the District. When the General Manager is unavailable, the Operations Manager shall assume the duties of the General Manager. In the event the General Manager and Operations Manager are both unavailable, the Finance Manager/Customer Service Manager shall assume the duties until such time as the General Manager or Operations Manager becomes available.
2. For extended absence of the General Manager, the Board President shall be notified of the delegation of authority.
