Field Customer Service Representative II

DEPARTMENT: Operations and Maintenance
FLSA STATUS: Non-Exempt
DIRECTLY REPORTS TO: Maintenance Supervisor
DIRECTLY SUPERVISES: N/A
JOB DESCRIPTION DATE: January 1, 2026
ANNUAL SALARY RANGE: \$59,009.60 - \$79,643.20
JOB CLASSIFICATION: Regular, Full-Time, DOT Safety Sensitive

General Statement of Job

Under general supervision of the Field Customer Service Supervisor, performs full range of assigned duties related to field and office customer service; including meter read data collection, conservation, and other duties that may be required. Acts as Fair Oaks Water District (FOWD) subject matter expert on meter read data collection technology; aids the FOWD in water conservation activities and may intermittently work on water maintenance crews as needed.

Essential Functions

The statements contained herein reflect general details as necessary to describe the primary functions of this job, the level of knowledge, the skills typically required and the scope of responsibility. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

1. Installs, repairs, maintains, reads, and troubleshoots meters and automated meter reading system.
2. Uploads and downloads meter information into meter reading data collection systems.
3. Runs meter exception reports for field follow up.
4. Obtains final meter reads for billing changes.
5. Assists in the evaluation of meters and meter reading equipment.
6. Investigates unusual meter reads and updates billing system.
7. Maintains a record of water use and operation of high consumption customers.
8. Responds to customer concerns and inquiries related to meter service and meter reads; corresponds to customers both verbally and in writing.
9. Performs field survey work as required; meets with customers as directed.
10. Delivers shut down, delinquent and disconnection notices.
11. Performs disconnects and reconnects of services for delinquencies.
12. Field tests water meters for accuracy.
13. Performs "on call" duties during off-hours of operation as needed.
14. May work overtime as required and approved with additional compensation.
15. Checks assigned vehicle on a daily basis to ensure safe and dependable operation. May perform minor repairs to vehicles and equipment; maintains FOWD vehicles and facilities in a clean and orderly manner.

16. May operate a vehicle in excess of 26,001 GVWR with a Class B or higher CA driver's license in adherence of the Department of Transportation (DOT) regulations.
17. Receive direction from the Operation's Superintendent as required.

Other Duties

1. Assists in customer service front office duties. Responds to public inquiries in a courteous and friendly manner; able to apply and communicate policies and regulations regarding water service, billing, and meters to customers.
2. Assists with development and scheduling of community events.
3. Assists in performing water waste investigations and toilet inspections.
4. Assists in providing literature and verbal instruction to customers regarding conservation methods and irrigation control system adjustments.

Job Standards/Specifications
